Memorandum

Date: December 18, 1995
To: Mike Madigan
From: Lester Snow
Subject: March BDAC Meeting

At our last BDAC meeting held on December 6, dates for future meetings were discussed. A tentative date of March 15 was set, however, it has come to my attention that this date conflicts with a conference ACWA is conducting.

We will check with Edy to set a new date for a March BDAC meeting that will fit into your schedule.
